

*Creamery Work.*—The following creameries are now being operated in the State:

Catawba Creamery.....	Hickory, N. C.
Hendersonville Creamery .....	Hendersonville, N. C.
Asheville Creamery .....	Asheville, N. C.
Mooreboro Creamery .....	Mooreboro, N. C.
Shelby Creamery .....	Shelby, N. C.
Stanley Creamery.....	Stanley, N. C.

Three of these creameries came as a natural process of evolution in the growth of dairy farming. The other three were sold to the farmers by creamery promoters.

During the past two years we have had representatives of this Division at work in all of the above-named creamery sections doing field and extension work in the interest of these creameries.

*Creamery Promoters.*—During the past two years we have fought creamery promoters in the following counties: Union, Gaston, Rowan, Henderson, Wilkes, and Buncombe. We have been successful, so far, in keeping these \$8,000 plants out of all the above counties. One creamery, however, was sold in Gaston County prior to 1910.

We have been taking a decided stand against these promoters, because they have been operating in sections having a scant cow population and have been charging exorbitant prices for their plants.
